

8agora’s 8Vines: Transforming Wine Distribution Events with Global Connections

As a **wine distributor**, you know the importance of hosting engaging events that bring wine lovers together. Imagine offering your patrons the opportunity to **connect with winemakers from anywhere in the world**—all while they enjoy a tasting experience in your facility.

Introducing 8Vines, powered by 8agora—a platform that allows wine distributors to host immersive, virtual wine tastings, bringing global winemakers and local patrons together in real time.

Why 8Vines is Perfect for Wine Distributors:

- **Expand Your Event Offerings:** Host unique, interactive events where patrons can meet winemakers from across the globe, without leaving your facility.
- **Connect Global Winemakers with Local Patrons:** Facilitate live, virtual tastings where winemakers join from anywhere in the world and interact with guests in real time.
- **Enhance Your Brand:** Offer cutting-edge virtual experiences that set your events apart and create lasting impressions with your patrons.

How it Works...

8Vines gives you the power to create a **fully branded 3D virtual wine tasting experience**, where your patrons can interact directly with winemakers, explore wine tasting stations, and even purchase bottles—all without needing specialized equipment.

Why 8Vines is a Game-Changer for Distributors

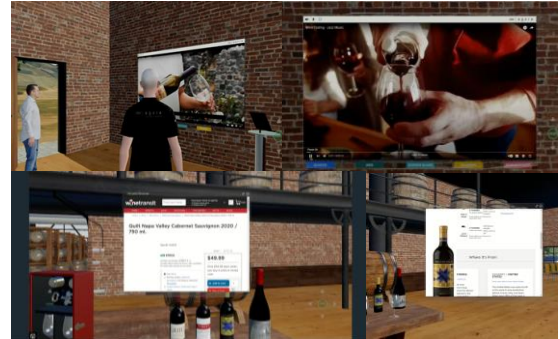

8Vines enables wine distributors to create unique, global tasting experiences for local patrons, bringing in winemakers from any region to showcase their wines live. Here’s how it benefits your business:

Connect Patrons with Winemakers:

Facilitate direct conversations between your patrons and the winemakers, creating memorable experiences.

Boost Sales with E-Commerce:

Patrons can buy wines directly from the winemaker or retailers during the event—driving immediate sales.

No Travel Required:

Winemakers can join virtually, saving on travel costs while expanding the reach of your events.

👤 Interactive Streaming:

Winemakers can offer virtual tours of their vineyards, production facilities, or take guests through guided tastings, all live in real time.

Who Should Use 8Vines?

Wine Distributors who want to enhance their event offerings by connecting patrons with winemakers from across the globe.

Corporate Clients hosting wine tastings for employees or customers, with virtual appearances by winemakers.

Event Planners looking for innovative ways to engage attendees and offer exclusive wine-tasting experiences.

Key Benefits for Distributors

Enhanced Patron Engagement: Offer a more interactive and immersive experience by allowing guests to engage with winemakers live.

Exclusive, Global Connections: Connect your patrons with world-class winemakers from anywhere, giving them a unique, VIP experience.

New Revenue Opportunities: Use e-commerce integration to generate immediate wine sales during the event.

Seamless Technology: 8Vines is easy to set up, with guests joining via any device—no specialized equipment required.
